

COMMENCEMENT PHOTOGRAPHS

A professional photographer has been hired by the College to take photos of graduates on stage as you are congratulated by the College President and Board of Governors Chair (or representative) during the ceremony. A link to these photos will be posted on the College website, allowing you to download them and use them in any way you wish, whether it be to post on your Facebook page, e-mail to friends and family, or have prints made. There is no charge to you for this service. You will be able to access the photos by visiting <http://www.newriver.edu/graduation>.

Please note that the photos will not be identified by name on the web. However, if you prefer **NOT** to have your photograph posted, please turn your face away from the photographer as he is taking the picture on stage, and we will not post that image.

Please let family members know that you will have access to these photos so that they will not be concerned that they cannot get a good shot from their seats.
