NEW RIVER JOINS ASSOCIATION OF COMMUNITY COLLEGE TRUSTEES

[BECKLEY, WV] New River Community and Technical College has joined The Association of Community College Trustees (ACCT), a non-profit educational organization of governing boards representing more than 6,500 elected and appointed trustees who govern over 1,200 community, technical and junior colleges in the United States and beyond.

New River’s board of governors is made up of community leaders appointed by the Governor. There also are representatives from the student body, the faculty and the classified staff, all elected by their peers.

Current members of the board are Leslie Baker of Beckley, chair; E.D. Knight III of Lewisburg, vice chair; David Nalker of Lewisburg, secretary; Deborah Hill of Summersville; E. T. Smith of Daniels; Robert Farley of Princeton; Marilyn Leftwich of White Sulphur Springs; Albert Martine of Daniels, faculty representative Dr. John Mark Walkup of Summersville; classified staff representative Donna Feijo of Mabscott; and student representative Casey Baber of Beckley.

New River's board members are among the community professionals, business officials, public policy leaders and leading citizens who offer their time and talent to serve on the governing boards of this century’s most innovative higher education institutions--community, junior and technical colleges. These boards make decisions that affect more than 1,200 colleges and over 11 million students annually.
The Association of Community College Trustees offers a number of programs, institutes, publications and services that help build more effective boards and strengthen relationships between board members and CEOs.
