Sharon Evans has been promoted from instructor to assistant professor of developmental mathematics on the Mercer County Campus of New River Community and Technical College in Princeton, W.Va. Her promotion was announced by Dr. Harry R. Faulk, executive vice president and chief academic officer.
Evans has been on the New River faculty since 2003. A graduate of Princeton High School, she received her bachelor’s degree in education from Concord College and her master’s degree in secondary administration from Radford University. She also pursued graduate studies at George Mason University. Prior to joining New River, she taught at the high school and junior high school levels in Bramwell and Bluefield, W.Va., and Bealeton, Va.

New River Community and Technical College serves a nine-county region of southeastern and south central West Virginia from campuses in Beckley, Lewisburg, Princeton and Summersville. Administrative offices are located in Beckley.
