NEW RIVER FALL SEMESTER CLASSES START AUGUST 17

Fall semester classes will begin August 17 on all campuses of New River Community and Technical College. New River serves nine counties in southern West Virginia from locations in Beaver, Beckley, Bluefield, Lewisburg, Princeton and Summersville.

For the first time this fall, New River will offer Mechatronics classes at the Mercer County Technical Center in Princeton. Mechatronics is today’s exciting approach to industrial systems, combining electrical, mechanical, hydraulic, pneumatic, and electronics technology to meet the needs of today’s industries. Mechatronics classes will be offered in the evenings to accommodate students who work during the day.

General registration will take place August 13 and 14 on at the Beckley Campus, 167 Dye Drive, Harper Industrial Park, Beckley; Greenbrier Valley Campus, 101 Church Street, Lewisburg; and the Nicholas County Campus, 6101 Webster Rd., Summersville. Registration will take place on the Bluefield Campus, 219 Rock
Street, Bluefield, on Thursday, Aug. 13, and at the Mercer County Technical Education Center in Princeton on Friday, July 14. Late registrations will be accepted through August 21.

Telephone the Beckley/Raleigh County Campus, 304-255-5812; Greenbrier Valley Campus, 304-647-6560; Mercer County Campus, 304-327-4071; or Nicholas County Campus, 304-872-1236 for further information about times and requirements for registration. A complete schedule of classes for all New River campuses is located on www.newriver.edu.

New River is a fully accredited, independent community and technical college serving Fayette, Greenbrier, Mercer, Monroe, Nicholas, Pocahontas, Raleigh, Summers and Webster Counties and surrounding areas with administrative offices in Beckley.
