Dara S. Fann

DARA S. FANN JOINS NEW RIVER’S INFORMATION TECHNOLOGY STAFF

[BECKLEY, WV] Dara S. Fann has joined the Information Technology Department of New River Community and Technical College as a systems programmer senior. She comes to New River from Southern West Virginia Community and Technical College, where she has been a database administrator since 2006. Under a federal Title III grant, Fann will be developing online applications for student services such as admissions, registration, advising and payment of fees.

Fann earned associate’s degrees in Computer Engineering from National Institute of Technology in Cross Lanes, WV, and Information Technology/Business from Southern West Virginia Community and Technical College in Mt. Gay. She received her bachelor’s degree in
Technology Management from Franklin University in Ohio and is completing a master’s in Higher Education Leadership from Marshall University.
