Rachel Kelly has joined the staff of New River Community and Technical College as a program coordinator on the Greenbrier Valley Campus in Lewisburg, W. Va. She will oversee the Learning Resource Center, assist students who need tutoring services and work with faculty to identify students who need extra help. She will also proctor exams, advise students, administer college-entrance tests and confirm and accommodate ADA needs for students. She began her duties on November 1.
Kelly has been associated with New River for the past nine years. She started as a work-study student in the Student Services Office and later worked as a part-time office assistant to the dean of student services. Most recently she was an adjunct instructor teaching Developmental English and Life Management Skills in the Prep 4 College Success program.

A resident of Lewisburg, Kelly graduated magna cum laude from Bluefield State College with a bachelor’s degree in humanities with an English specialization.
