NEW RIVER OFFERING REAL ESTATE PRE-LICENSING CLASS BEGINNING JAN. 4

[LEWISBURY, W.VA.] Beginning Tuesday, Jan. 4, those interested in the real estate business can take a step forward into this exciting career by taking a Real Estate Pre-Licensing Class offered at the Greenbrier Valley Campus of New River Community and Technical College in Lewisburg, W.Va.

This course will run through mid-March and will cover the criteria needed to comply with requirements for taking the real estate license exam in West Virginia. Tuition is $350, and the textbook costs $65. A minimum of 10 students must be registered for the class to be offered.

Because this class is offered through the Workforce Education Department, the tuition will be the same for in-state and out-of-state residents. “We have had a few students from the Allegheny Highlands in Virginia who have used this class to prepare
for the WV licensing requirements,” notes Terri Baker, program coordinator for Workforce Education.

For more information, or to register, please contact Gloria Kincaid at (304) 793-6101. Space is limited and offered at a first-come-first-served basis.
