NEW RIVER ANNOUNCES REGISTRATION DATES, FALL APPLICATIONS STILL BEING ACCEPTED

[BECKLEY, WV] New River Community and Technical College will hold registration for new and returning students on all campuses July 8-28. Students should register at the campus where they will be attending classes.

“We encourage all students to register during this period so that they will have plenty of time to order books and be prepared for the beginning of classes on August 16,” stated Tracy Evans, director of enrollment services for New River.

Evans noted that it is not too late to apply for admission for the fall semester. She encourages anyone interested in enrolling to do so right away so that financial aid can be processed before the start of the semester. She added that a one-day orientation session for new students will be held on the different campuses between July 27-Aug. 6. Students will receive information about the orientation schedule in the mail.

Applications can be submitted online at www.newriver.edu (Select Prospective
Students and then select Apply Online) or you can apply in person at the campus you wish to attend. Campus locations are 167 Dye Drive, Beckley (304) 929-5450; 101 Church Street, Lewisburg (304) 647-6560; in the Mercer Technical Education Center, 1397 Stafford Drive, Princeton (304) 425-5858; and 6010 Webster Road, Summersville (30) 872-1236.
